

Rental Units in Jackson County

This list is provided as a public service by the Seymour Housing Authority (SHA). This list is intended to help those persons looking for housing in Jackson County. While several landlords and apartment communities listed do accept Section 8 Vouchers, some do not. If you are a Section 8 participant, you should inform the landlord/manager of this when inquiring about rental units. Remember, this list has been compiled as a guide for the general public - the SHA doesn't keep track of who has vacancies.

- # = Privately owned Section 8 properties. All units have rental assistance-they cannot accept SHA/State Section 8 vouchers
- * = FmHA properties whose rents are generally lower than the market average. They may have some Section 8 assistance available - check with the management of the property
- ** = Tax credit properties whose rents are generally lower than the market average
- @ = Handicap accessible units available
