#### REPORT OF INDEPENDENT AUDITORS

Board of Directors Jackson County United Way, Inc. Seymour, Indiana

#### **Opinion**

We have audited the accompanying financial statements of Jackson County United Way, Inc. (the "Organization"), a nonprofit organization, which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### <u>Auditor's Responsibilities for the Audit of the Financial Statements</u>

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Organization's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Allocations to Agencies is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and

other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

#### 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Operations**

Jackson County United Way, Inc. (the "Organization") was formed in 1962 to continually assess the needs of the people of Jackson County and improve their quality of life by raising and allocating funds for human care and developmental programs. Substantially all support is received from various individuals and businesses in Jackson County and surrounding areas.

Covering Kids and Families is a program ran by the Organization and funded by Covering Kids & Families of Indiana, Inc. to assist community members in obtaining health insurance coverage at a price the member can afford as well as help the member understand how to use health insurance and how to keep health coverage. This program ended in October 2023.

#### Management's Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities and the reported support, revenues and expenses. Actual results could vary from the estimates that were used.

#### **Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis, and have been prepared with a focus on the entity as a whole. Net assets, support, revenues, gains, and losses are classified based on the existence or absence of donor restrictions. Accordingly, the net assets of the Organization are classified and reported as follows:

<u>Net assets without donor restrictions</u>: Net assets that are currently available for operating purposes under the direction of the board of directors (Board) or designated by the Board for specific use.

<u>Net assets with donor restrictions</u>: Net assets subject to donor stipulations for specific purposes or time restrictions.

#### **Certificates of Deposit**

Certificates of deposit consist of multiple certificates from various financial institutions with maturity dates from March 2024 to May 2026 and interest rates ranging from 0.50 percent to 5.10 percent. Certificates of deposit are valued at the original cost plus accrued interest.

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

#### **Board Designated Investments**

The Board has designated certain amounts for future expenditures and investment in operations and placed it in a custodial fund with the Community Foundation of Jackson County, Inc.

These investments are measured at fair value in the Statements of Financial Position. Investment income or loss, including realized and unrealized gains and losses on investments, interest, and dividends, is included in investment return in the Statements of Activities. The funds are invested in accordance with the Community Foundation of Jackson County, Inc.'s investment policy.

#### Pledges Receivable

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Pledges and contributions received and committed for subsequent years from the annual fund drive held late in the calendar year are recorded as net assets with donor restrictions due to time restriction. These amounts are reflected as net assets released from restrictions during the program year for which the funds were designated.

The Organization uses the allowance method to determine the uncollectible unconditional pledges receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. Receivables are considered uncollectible if (1) over two years outstanding or (2) management has reasons to believe specified amounts will not be collected, usually based on confirmation from donors.

#### Office Furniture and Equipment

Office furniture and equipment, including expenditures that substantially increase the useful lives of existing assets, are recorded at cost except for donations, which are recorded at fair value at the date of the donation. Costs of ordinary maintenance and repairs are expensed as incurred.

Office furniture and equipment of the Organization are being depreciated over their estimated useful lives ranging from three to five years using the straight-line method.

#### Support, Revenues and Expense Recognition

Contributions are recognized as support in the period the promise is made.

Support and revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law.

All other revenues are recorded when earned.

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

#### <u>Functional Allocation of Expenses</u>

The costs of providing the various programs and supporting services have been summarized on a functional basis in the Statements of Activities and Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report expenses that are attributed to more than one program or supporting function. Those expenses include salaries, payroll taxes, employee benefits, insurance, occupancy and supplies. Therefore, expenses require allocation on a reasonable basis that is consistently applied. All expenses are allocated on the basis of time, effort and usage. While the methods of allocation are considered appropriate, other methods could produce different results.

#### **Income Taxes**

The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal taxes on related income pursuant to Section 501(a) of the Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Organization, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

As such, the Organization is generally exempt from income taxes. However, the Organization is required to file Federal Form 990 – Return of Organization Exempt from Income Tax which is an informational return only.

#### Subsequent Events

The Organization has evaluated events or transactions occurring subsequent to the Statement of Financial Position date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is June 5, 2024.

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

#### 2. EMPLOYEE RETENTION CREDIT

The Coronavirus Aid, Relief, and Economic Security (CARES) Act included a provision for the Employee Retention Credit (ERC). The ERC is a fully refundable tax credit for employers on qualified wages (including allocable qualified health plan expenses) that eligible employers pay their employees. For amounts paid between March 13, 2020, and December 31, 2020, ERC is equal to 50 percent of qualified wages up to a maximum of \$10,000 of wages per employee for the year; equaling a maximum credit of \$5,000 per employee for 2020. For amounts paid between January 1, 2021, and September 30, 2021, ERC is equal to 70 percent of qualified wages up to a maximum of \$10,000 of wages per employee, per quarter; equaling a maximum of \$21,000 per employee for 2021. In accordance with Accounting Standards Codification 958-605, Not-for-Profit Entities, the Organization recognized \$71,855 of ERC as grant revenue for the year ended December 31, 2022.

#### 3. BOARD DESIGNATED INVESTMENTS

The Organization has transferred assets to the Community Foundation of Jackson County, Inc. and retained a beneficial interest in those assets. The Organization is to receive a grant annually based upon the Community Foundation of Jackson County, Inc.'s spending policy. The Organization has granted variance power to the community foundation to carry out the purpose of the designated endowment created by the initial transfer.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

• Board designated investments: Valued at fair value as reported by the Community Foundation of Jackson County (the "Foundation"), which represents the Organization's pro-rata interest in the Foundation's investment pool, substantially all of which are valued on a mark-to-market basis.

The fair value of these assets is measured on a recurring basis using significant unobservable inputs (Level 3) and included in the Statements of Financial Position at \$23,363 and \$23,525 at December 31, 2023 and 2022, respectively.

The progression of this endowment fund is as follows:

	 2023	 2022
Beginning balance	\$ 23,525	\$ 27,024
Investment return, net	1,430	(1,946)
Grant payments	(1,177)	(1,143)
Administrative fees	 (415)	 (410)
	\$ 23,363	\$ 23,525

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Community Impact and Capacity Building	37,160	-0-
COVID Relief	-0-	12,445
Resource Roundup	17,500	3,000
Other	 13,403	15,716
	\$ 379,608	\$ 485,848

#### 9. BOARD DESIGNATED RESERVE

The Organization maintains a reserve in an amount equal to at least three months average operating costs (defined as the Organization's funding and partner distributions as determined by the forthcoming year's budget) with a desired target balance of six months average operating costs.

#### 10. LIQUIDITY AND AVAILABILITY

As a fundraising entity, the Organization receives significant contributions each year from donors, which are available to meet annual cash needs for general expenditures. Allocations to agencies are paid monthly over a 12-month period. During that same 12-month period, additional contributions are received from donors.

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Financial assets available for general expenditures within one year of the Statement of Financial Position date comprise the following:

	2023		2022	
Cash	\$	982,245	\$	988,565
Certificates of deposit maturing within one year		78,828		78,133
Pledges receivable, net		196,266		185,924
Grant receivable	-0-		16,112	
		1,257,339		1,268,734
Less restricted for specified purpose		(287,051)		(190,159)
Total financial assets available	\$	970,288	\$	1,078,575

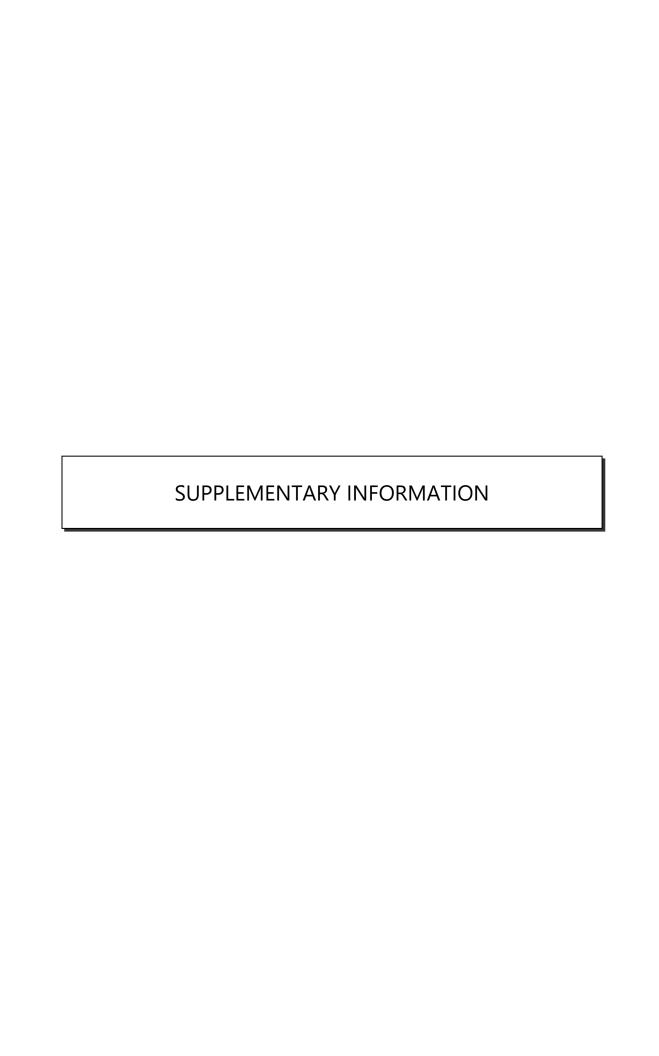

The pledges receivable are subject to implied time restrictions but are expected to be collected within one year. None of the financial assets above are subject to donor or other contractual restrictions that make them unavailable.

The Organization maintains a reserve which represents 3-months of average operating costs. At December 31, 2023 and 2022, the reserve balance included in the financial assets above is \$158,750.

#### 11. CONCENTRATIONS

The Organization is exposed to concentrations of credit risk for pledge amounts due to the vast majority of donors residing in Jackson County, Indiana. Although the Organization is directly affected by the well-being of the economy of Jackson County, management does not believe significant credit risk exists at December 31, 2023.

The Organization maintains its cash and certificates of deposit in bank deposit accounts insured by the Federal Deposit Insurance Corporation at its current coverage levels. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and certificates of deposit.
